

# It's a Bridgeville Thing—Read Over It!

Bridgeville Borough 425 Bower Hill Road Bridgeville, PA 15017

Third Quarter  
August, September,  
October, 2011

## A bit of history and a little snow to cool you off

**Early 30's photo of 700 block of Chess Street**

Just look at one of the many memories you can relive at the Kathleen Banks Building of the Bridgeville Area Historical Society 441 Station Street. This blast from the past is now on file along with lots of other photos and memorabilia that makes our Bridgeville so special to all of us. Remember when cleaning out your attic and garage or grandma's house you just may come across a bit of history that needs to be preserved. Give BAHS president Mary Weise a call for details how to donate. (See page 6 for more BAHS programs and news)

### A TAX message for Property Owners from Anne Marie Parisi:

Once again taxpayers will be able to pay the **CV School Tax** in quarterly installments (1/4 of the FACE AMOUNT) on the following dates:

**October 15**

If you do not pay by the DISCOUNT date of August 31st, or by the FACE date of October 31st, it is recommended that you take advantage of the installment plan.

If the taxes are not paid by the end of December, the unpaid taxes are turned over to the lien Tax Collector, and they will add an additional 10% penalty to the tax bill. This applies to the SCHOOL TAX ONLY.

The Borough tax remains the same as indicated on the tax statement.

**Mayor**  
**Donald L. Dolde**

Dear Residents,

In lieu of recent events I would like to address the following issues: Bicycle safety and “Gypsy” style scams.

First, in dealing with bicycle safety I would like to make the public aware of the following: Every person riding a bicycle upon a roadway shall be granted all of the rights and shall be subject to all of the duties applicable to the driver of a vehicle as governed by the PA motor vehicle code. A few important reminders: When a bicycle is in use between sunset and sunrise it shall be equipped on the front with a lamp which emits a beam of white light intended to illuminate the bicycle operator’s path and visible from a distance of at least 500 feet to the front. The bicycle shall also have a red reflector facing to the rear and visible from a distance of at least 500 feet and amber reflectors on each side.

A person under 12 years of age shall not operate a bicycle or ride as a passenger on a bicycle unless the person is wearing a bicycle helmet meeting the standards of the American National Standards Institute, the American Society for Testing and Materials, the Snell Memorial Foundation’s Standards for Protective Headgear for Use in Bicycling or any other nationally recognized standard for bicycle helmet approval. This also applies to a person who rides upon a bicycle while in a restraining seat attached to a bicycle; or in a trailer towed by a bicycle.

A person riding a bicycle upon a sidewalk or bicycle path used by pedestrians shall yield the right-of-way to any pedestrian and give an audible signal before overtaking and passing a pedestrian. A person shall not ride a bicycle upon a sidewalk in a business district unless permitted by official traffic control devices, nor when a usable bicycle only lane has been provided.

With the arrival of warmer weather area departments are seeing an increase of “Gypsy” style scams that generally target the elderly. “Gypsy” style scams usually involve multiple actors who purport themselves to be with a public utility company or a general contractor. Their main goal is to get inside of your house by either distracting a member of the household while their partner sneaks into the house by an unlocked door/window, or, they con you into letting them into your house with the promise of free work. While inside your house they will make an effort to have you follow them to another room while their partner enters through the same entrance unbeknownst to you. Remember to keep all doors and windows locked. Do not open your door to these people. If you have suspicions as to their identity call the utility company they claim to be affiliated with or call the Police. If someone shows up at your residence soliciting construction work, or any other service, they are required to have a permit from the Borough. If you have any question as to their identity call the Police.

Sincerely,

*Chad King*

Chad King  
Chief of Police

## **Its time to remind everyone about school bus rules that keep our children safe.**

During the 2009-10 school year the Bridgeville Police Dept issued 20 Citations for vehicles passing a school bus while loading or offloading children. During the 2010-11 school year BPD issued 25 citations for same.

This is unacceptable! Stop and keep our children safe! Please refer to Pennsylvania State Vehicle Code Section 3345(a) which in part says: “..shall stop at least ten feet before reaching the school bus when the red signal lights are flashing and side stop signal arms are activated.....the driver of a vehicle approaching an intersection at which a school bus is stopped shall stop his vehicle...”

## Leaf clean up—October

Leaf clean up will begin during the week of October 15th until the first week of December weather permitting. Leaf pick up will follow the street sweeper schedule. Please refer to the last issue for complete listing ([www.bridgevilleboro.com](http://www.bridgevilleboro.com)) or call the Borough office for more information. Sweep your leaves in a pile at the curb for the sweeper to pickup. Remember to be cautious about running vehicles nearby as this can pose a fire hazard.

## Brush Grinder—November

During the month of November in the fall and April in the Spring. This also follows the street sweeper schedule. Trimmings and limbs will be accepted and are to be placed at the curb for pick up. Logs must be no larger than 12 inches in diameter. All brush material must be free and clear of roots and dirt as this is a safety hazard for our public workmen.

Bridgeville Borough has enacted Ordinance No. 868 prohibiting the parking of motor vehicles on Borough streets at the times the streets are scheduled to be cleaned and/or the leaves to be picked up.

Mayor Donald Dolde has declared Monday, October 31st as the official Trick-or-Treat night in Bridgeville. Trick-or-treat hours are from 6 to 8 p.m. Drivers are reminded to be cautious of our children as they participate in this fun-filled event. BPD will be out in force to keep our little ones safe! Happy Halloween to all!

**The Twin Towers before September 11, 2001**

Who can ever forget where you were, what you were doing on that fateful Tuesday, September 11, 2001?

This September 11th marks the tenth anniversary of this horrific event that rocked our nation and

caused the deaths of so many innocent and helpless people.

Won't you take time out of your day to join us as we join the Holy Child Knights of Columbus in a solemn ceremony of remembrance, reflection and resiliency?

We will honor the memories of those brave men and women who sacrificed all they had to rush to the aid of those in need. We will honor the military and the first responders who put their lives in harms way each and every day to keep us safe.

We will remember all those who lost their lives and offer prayers of peace and hope that this will never happen again.
