It's finally time to "Play Ball!"

April...the "official" start of baseball, softball, t-ball & pre-tee seasons. The time when kids of all ages (yes, coaches too!) show up for practices and games with eager anticipation for the season ahead and uniforms which still look new. It's a time that many BAA members have worked very hard over the past few months and I'd like to thank a few of them. Because there are so many people involved, This would include people assisting in the February and March clinics for our players, volunteers that gave up their Saturday to clean up Chartiers Park and all of the coaches teaching kids the game of baseball and softball.....We say thank you!

The 2016 BAA Board has been busy preparing, from planning for the January Registration to the ordering of needed equipment for the year, ordering uniforms, putting the game schedules together and putting together a very successful March Bingo fundraiser.....We say thank you!

Last but certainly not least, we would like to thank the companies that sponsor the BAA. If it wasn't for the local companies that help support our program, we would not be able to have such a successful organization. Because of this support, the BAA has been able to keep the costs low for families to play baseball and softball in Bridgeville.....We say thank you!

So as you can see, we've been quite busy during the preseason getting ready for May. I think I can speak for the other Board members and volunteers when I say that it is all worth it when our kids are on the field or in the batter's box, uniforms on, excitement for a new season shining on their faces, and the umpire starts the game with a call to "Play Ball!"

2016 Advertising Signs Needed!

The BAA is looking for the generosity of local companies to advertise your business at Chartiers Park **Your help is greatly needed.** More information about the different types of sponsorship is also available on our website or call Joe Verduci to discuss your interest in the BAA at 412-576-0940.

Remember, even if you cannot place an advertising sign down at Chartiers Park, we would be grateful for any **Non-profit 501(c)3 tax deductible donation** you could give to help keep the BAA a vital part of our community.

SouthBridge EMS 2016 Subscription Drive

SouthBridge EMS subscriptions have already gone out in the mail, and we strongly encourage residents to consider an ambulance subscription. Benefits of a subscription include:

- Co-pays are written off entirely
- If your entire ambulance bill goes to deductible, we will write off 50%
- A household subscription covers everyone living in your household AND your visitors (provided they don't reside in our service area)

Subscriptions are likely more beneficial than ever with the current trend in insurance reimbursements. High deductible plans and higher co-pays are on the rise, therefore it is crucial to reduce the burden of an unexpected ambulance bill, which could possibly total \$1,100 or more! Preparing for the unexpected is always a wise decision.

If you have any questions, or are in need of a subscription form, please call us at 412-221-5115.

SouthBridge EMS is a non profit 501(c)(3) ambulance service serving the areas of Bridgeville Borough, South Fayette Township and Cecil Township. SouthBridge EMS does not receive tax dollars from the communities that we serve. We rely on the generosity of our communities to continue providing the best emergency care our residents expect and deserve. Please consider a donation to our organization. Visit our website at www.southbridgeems.com for more details.
